

HOW TO DOWNLOAD AND INSTALL BLOXPANDER

CREATE YOUR EARECKON USER ACCOUNT

Your **customer account** (used to purchase products from the online shop) and your **user account** (used to register and authorize your products) **are not linked** for more privacy and security.

Even if you already have a customer account, **a user account must be created** to download and authorize your products.

A customer account uses an email address as login while **a user account uses a 'user name'**.

If you do not have a 'user account' at www.eareckon.com, please create one from the main site.
